New Student enrollment opens 8/2/24 and 10/4/24

Preschool Gymnastics (3-4 yrs)

Motor skills and fine motor skills continue to develop. Children will use Mini gym equipment. Children will participate without parental assistance. In addition to gymnastics, your toddler will learn to make friends, take turns, and follow directions all on their own.

KinderGym 1 (4-5 yrs)

This class is designed for children attending Pre-K / Kindergarten and is more skill oriented. Gymnasts will focus on motor skills through gymnastics. They will gain a bit of independence, become more self-confident, and enhance their physical abilities.

KinderGym 2 (5-6 yrs)

This class is designed for children attending Kindergarten and continues to become more skill oriented. Much like our Girls 1 class, gymnasts will focus on specific skills & strength to advance in gymnastics.

Girls 1 (6-8 yrs)

The basics of gymnastics are taught with time spent on the Vault, Bars, Beam, and Floor. Rec 1 gymnasts will learn headstands, handstands, cartwheels, backbends and kickovers on floor. Pullovers, casts, and hip circles on bars as well as variations of balance and bravery on beam. Proper running, hurdling, and jumping will be the focus on vault. In addition to their event specific skills, these gymnasts will be learning proper terminology, flexibility, and strength.

Girls 2 (6-8 yrs)

The basics of gymnastics continue with time spent on all four events as we perfect and build on the skills learned in Girls 1. Girls 2 gymnasts will learn walkovers and begin handsprings on floor, stride circles and sole circle on bars as well as variations of balance and tumbling on beam and flat backs and handspring on vault. Gymnasts will also continue to get stronger and more flexible.

Girls 3 (6-8 yrs)

Instructor Placement Required

This is an advanced level gymnastics class where gymnasts have perfected all of the skills and strength required in Girls 1 & 2. These classes are the last step before being invited to join a TGA team, so they will be learning connecting tumbling, connecting bar skills, beam series', and bigger, braver skills.

Girls Gym (9 yrs & up)

This is an intermediate level class where gymnasts ages 9 and up wish to be in a class with girls their age. Like Girls 3 this class is a step before being invited to a TGA team and focuses on skill building and strength as well as fostering a team like atmosphere.

Basic Tumbling (6 yrs & up)

This class is for the beginner tumbler looking to work on Cartwheels, Round offs, kickovers, and beginning Handsprings. Tumblers will learn proper terminology, gain drills and strength to build their tumbling foundation.

If you don't see the class day/time you want it may already be full, but you can email tecumsehgymnastics@gmail.com to check availability.

How do I pay my tuition fees? Full tuition is due at the time of registration. Once you have registered, login to your parent portal and process payment there. Cards are not always automatically charged upon registration. Cash/check payments may also be made at the desk. The tuition you pay reserves your child's spot in his/her class. NO REFUNDS or CREDITS at any time regardless of attendance.

Is there an Annual Membership Fee? Yes, this is \$40.00/family and due on your anniversary each year and is non-refundable. This fee helps cover the cost of liability insurance.

What are the Apparel Requirements?

Leotards are not required, however most of our gymnasts do wear them for all classes. For the safety of our gymnasts we ask that you adhere to the following; girls should not have a skirt or sequins, boys should wear shorts without pockets or zippers and a t-shirt. Hair must be pulled back from their face. No socks, tights or jewelry may be worn in the gym. We do sell leotards and apparel in the store at the gym.

Do you have a Parent Viewing Area? We do have limited bleacher seating in our viewing areas for both the big and mini gym for parents. Please adhere to the viewing rules, keeping the noise to a minimum as not to disrupt the gymnasts learning in class and not blocking the windows and doors or walkways. There is NO FOOD allowed in the gym at any time. School age and team parents are encouraged to drop their gymnast off and return at the end of practice.

What if my child misses class? Like college, tuition fees pay for your spot in class, regardless of attendance. TGA will offer one scheduled Makeup a month. Makeups will only be available if the schedule allows and are NOT GUARANTEED. All makeups must be scheduled in the session the absence occurred, makeups expire with the session. To schedule a makeup email Coach Jen; tecumsehgymnastics@gmail.com

How quickly will my child move through the levels and how will we know when she is ready to move up? Every gymnast moves through skills at their own pace, so there is no set timeline for anyone. Coaches evaluate skills at the end of each session and you will receive a personalized email if your gymnast is ready to advance. It is normal for a gymnast to repeat the same class for up to a full school year.

How do students get onto Team? Joining a TGA team is by invitation only. Coaches evaluate gymnasts at every level and gymnasts are selected in this way to join one of our teams. Our High School team has try-outs in late October and is open to all Tecumseh, Clinton, and Columbia-Central High School girls grades 9-12.

Is there a Competition for Rec Gymnasts? Rec gymnasts do not compete, however we host 1-2 exhibition showcases throughout the year for our Pre-School and Rec gymnasts to participate in. This gives the children a chance to show what they have learned throughout the year.

Do you follow the school closures for gym closures? We do not. However, we have a Thanksgiving break, holiday break, and spring break and close for all major holidays; visit our [calendar](#) for more info. Weather cancellations are posted on social media and an email will be sent to all active accounts which can be expected after 12pm.

How do gym closures affect tuition? All scheduled gym closures have been calculated into tuition fees.
